

Sibanè Piemonte DOC 2017

Italy - Red

Piemonte

Nebbiolo, Barbera, Syrah

Tasting Notes:

The rustic Piedmontese origins of Sibané are proudly showcased by Barbera and Nebbiolo, while the more cosmopolitan personality is the result of Syrah. Sibané is a complex, enveloping, and full-bodied wine with high, but well-balanced, alcohol content. The color is an intense ruby red with violet reflections. Spicy and fruity notes stand out, in particular plum, black pepper, and black currant.

Food pairing:

Pasta and risotto with meat, grilled red meats, mixed boiled meat, stew, wild game, blue cheeses
