

Italy - Sparkling

Spumante Brut

Chardonnay

Tasting Notes:

Our sparkling Chardonnay has a light straw yellow colour, a subtle and fresh scent, a fine and persistent perlage. The dry and harmonious taste is reminiscent of bread crust and "golden" apple, while some of the most attentive may even notice, in some vintages, notes of liquorice and acacia flower.

Serving:

If served at 8°C it makes for an excellent aperitif. At about 10° C, our sparkling Chardonnay goes well with light appetizers and seafood.
