

Castillo de Jumilla Organic 2021

Spain - Red organic

Jumilla

Monastrell
Organic Red

Tasting Notes:

This wine is made with Monastrell grapes grown organically 780 metres above sea level with utmost respect for nature. The wine has medium red color with well formed legs. It is dry with fresh acidity and medium phenolics. It is pretty and fresh with red fruit spice and hint of herbs. Light and elegant style.

Serving:

Excellent with salads, vegetables, pasta, aged cheese, white or red meat, rice and grilled fish.
